

# Things I Can Say to Make New Friends.

These cards are a tool to help your child practice making new friends. Not only can your child use them to practice starting conversations on the playground, in the classroom, or in the lunch room, they can use these conversation starters to make new friends anywhere they go.

## How to Make:

1.

**Print at 100%** and each page separate to make three separate card stacks.

2.

**Fold** along the solid lines. \_\_\_\_\_  
Glue on the blank side of the folded pages, sealing the cards together.

3.

**Cut** along the dashed lines. Hole punch through the circle on each card.

4.

**Loop** a ring, rubber band, or string through the holes to bind all the card stacks together.
